Condolence Message from ESOP IDUNG ITION (USA) INC

His Excellency,
Governor Umo Eno,
Governor of Akwa Ibom State, Nigeria.

Your Excellency,

On behalf of Esop Idung Ition (USA) Inc., I extend our deepest sympathies to you and your family on the passing of your beloved wife, Her Excellency, Pastor Mrs. Patience Umo Eno. We are heartbroken by the loss of such a remarkable woman who served Akwa Ibom State with dedication and grace as our First Lady.

Her Excellency, Pastor Mrs. Patience Umo Eno was a shining light, whose devotion to her family, her husband, and the women of Akwa Ibom State will remain a lasting legacy. Her compassion, leadership, and unwavering support for you, *your aspirations, and the advancement of women affairs in Akwa Ibom State* will be forever remembered. Esop Idung Ition (USA) Inc. holds her in high esteem, and we are deeply saddened by this great loss.

We, her brothers and sisters from Mkpato Enin, *where she hails from*, will greatly miss her presence and her tireless efforts to uplift our communities. We trust that all her noble wishes for Mkpato Enin Local Government, which she held so dear to her heart, will come to pass.

May you, Your Excellency, be comforted in knowing that Pastor Mrs. Patience Umo Eno lived a life of service and love, and while her absence is deeply felt, we are reassured that she is in a better place. Take solace in the legacy she *left* behind, a testimony of a great wife and mother who impacted many lives.

Please accept our heartfelt condolences and prayers during this difficult time.

Sincerely,

Ezekiel Evanson, President
